OVERVIEW:

The EcoMax Chandelier Light (ECO-GP1860N6) features a striking matte black finish and a sophisticated, modern design. It holds six bulbs arranged in two triangular layers, each bulb encased in a round glass shade for a soft, elegant glow. Crafted from durable iron, this chandelier offers both style and durability, making it a perfect centerpiece for contemporary spaces.

APPLICATIONS:

Kitchens, dining rooms, lobbies, commercial spaces, and more.
