OVERVIEW:

The EcoMax Flush Mount Ceiling Light (ECO-GP6039N2) features a striking geometric metal frame, finished in matte black, designed to complement both contemporary and industrial spaces. The open design allows the warm glow of the exposed bulbs to illuminate the room with a cozy, yet edgy feel. With its sturdy construction and eye-catching style, this fixture adds both functionality and aesthetic appeal to any setting.

APPLICATIONS:

Ideal for living rooms, hallways, entryways, and bedrooms, this light adds a bold industrial accent while providing ample illumination for everyday use in a design that seamlessly fits into modern, urban, and transitional spaces.
