OVERVIEW:

The EcoMax Vanity Light (ECO-GW1958N3) showcases a sleek brushed nickel finish paired with dual-layered shades featuring inner white glass and outer clear glass for a stylish and polished look. The design ensures even lighting, making it an excellent choice for bathrooms or dressing spaces. Its clean lines and contemporary aesthetic enhance both functionality and sophistication in any room.

APPLICATIONS:

Perfect for bathrooms, powder rooms, and dressing areas, this vanity light adds a touch of elegance and provides ample illumination for everyday tasks.
